Workflow Exploration Report

Bill Payment Lifecycle

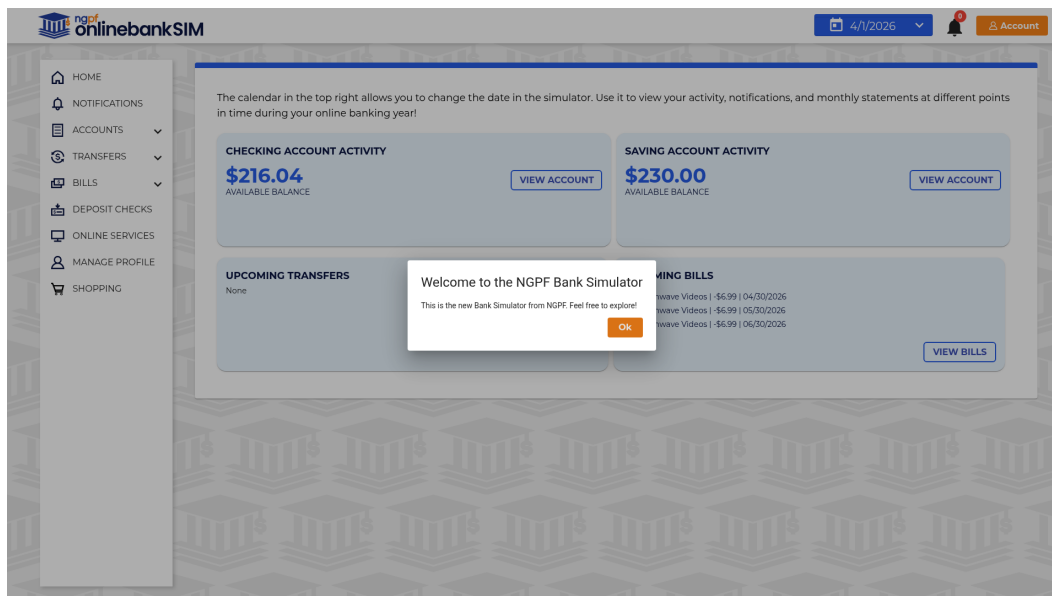

Website: <https://www.ngpf.org/bank-sim/home>

Feature Area: Bill Pay Management

Goal: Add a new recipient and schedule a one-time bill payment.

Generated: April 01, 2026 at 08:50 AM

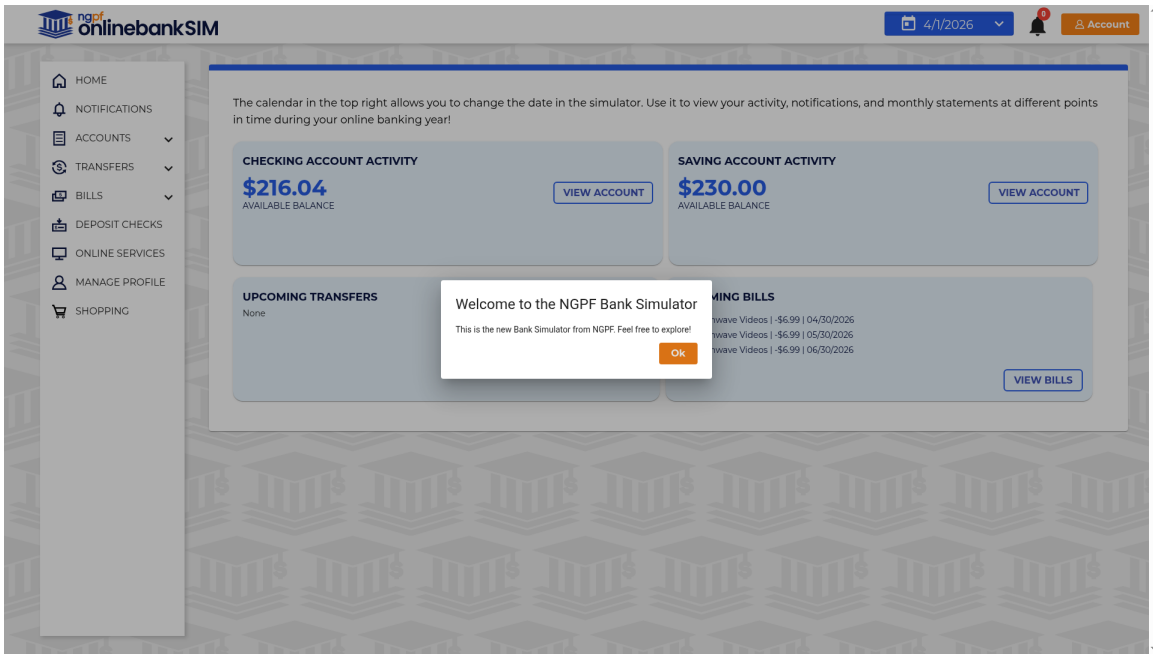

The AI successfully completed the bill payment lifecycle by adding a new recipient and scheduling a one-time payment. The process was verified by the appearance of a success notification and the correct listing of the scheduled bill in the 'Upcoming Bills' table.

Step-by-Step Walkthrough

1. Accessing the Bank Simulator

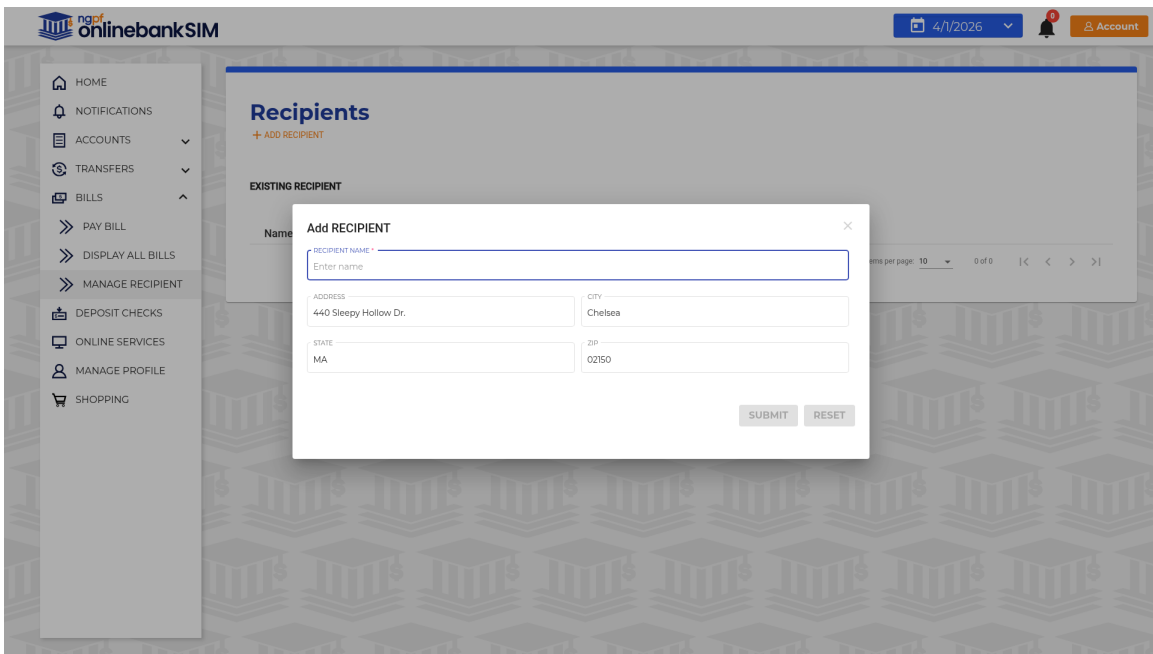

The AI initializes the banking session by clicking 'Get Started' to enter the main dashboard.

2. Adding a New Recipient

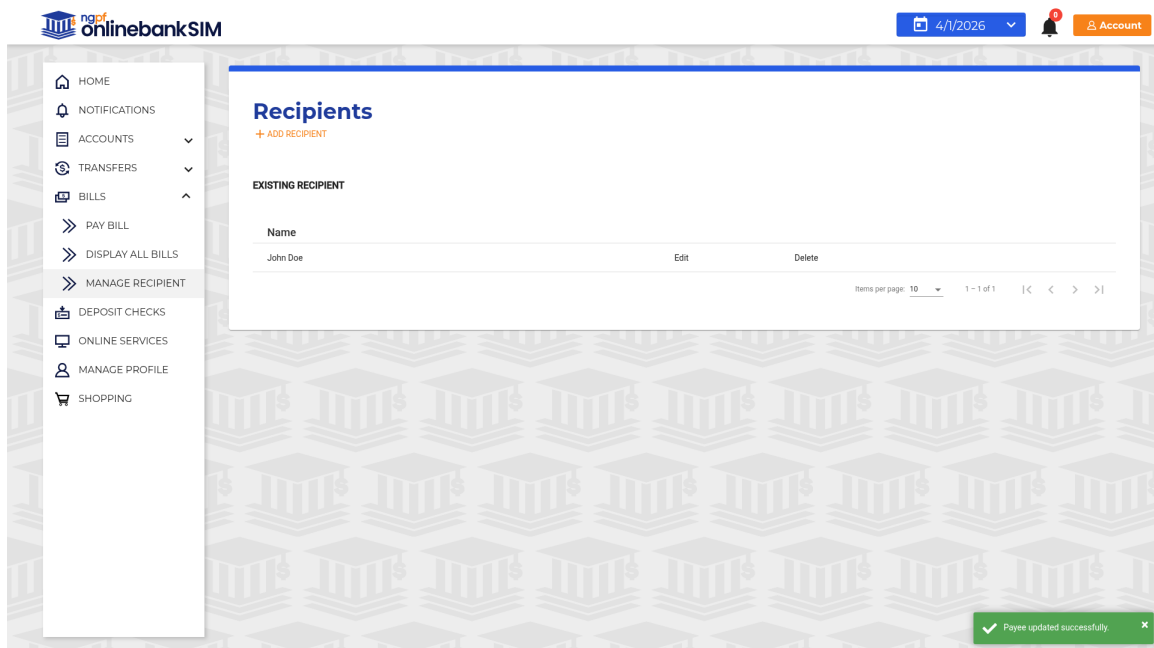

The AI navigates to the recipient management section and fills out the form to add 'John Doe' as a new payee.

<https://www.ngpf.org/bank-sim/pay-bill/manage-recipient>

3. Recipient Successfully Added

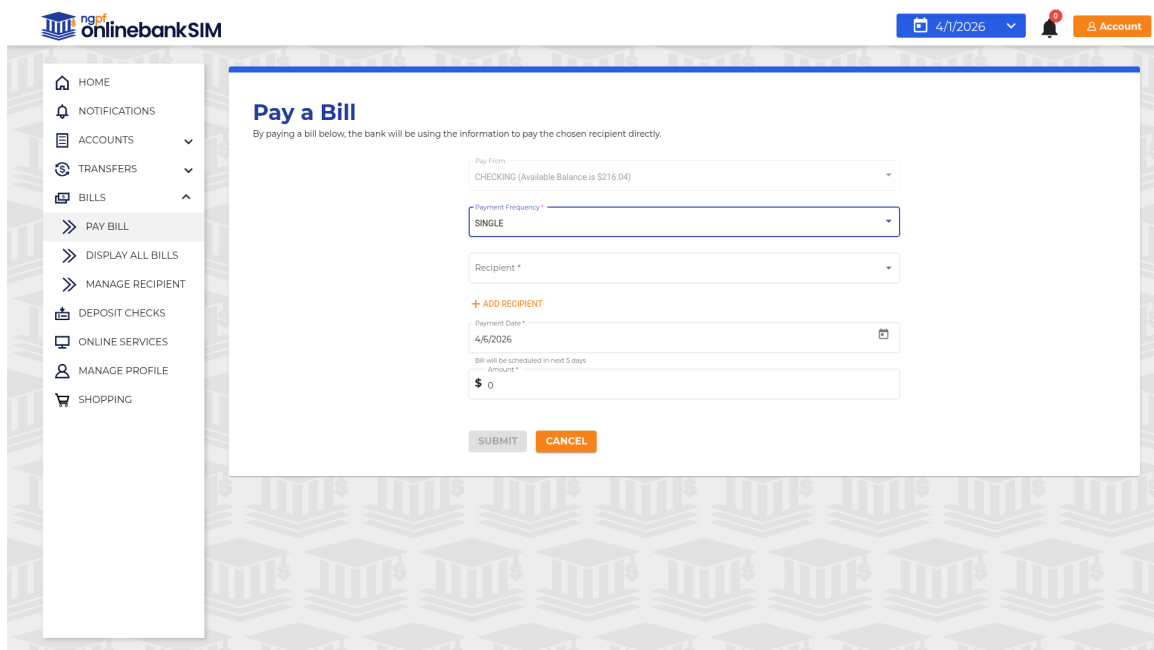

The system confirms the new recipient has been added with a success toast message.

4. Configuring Bill Payment Details

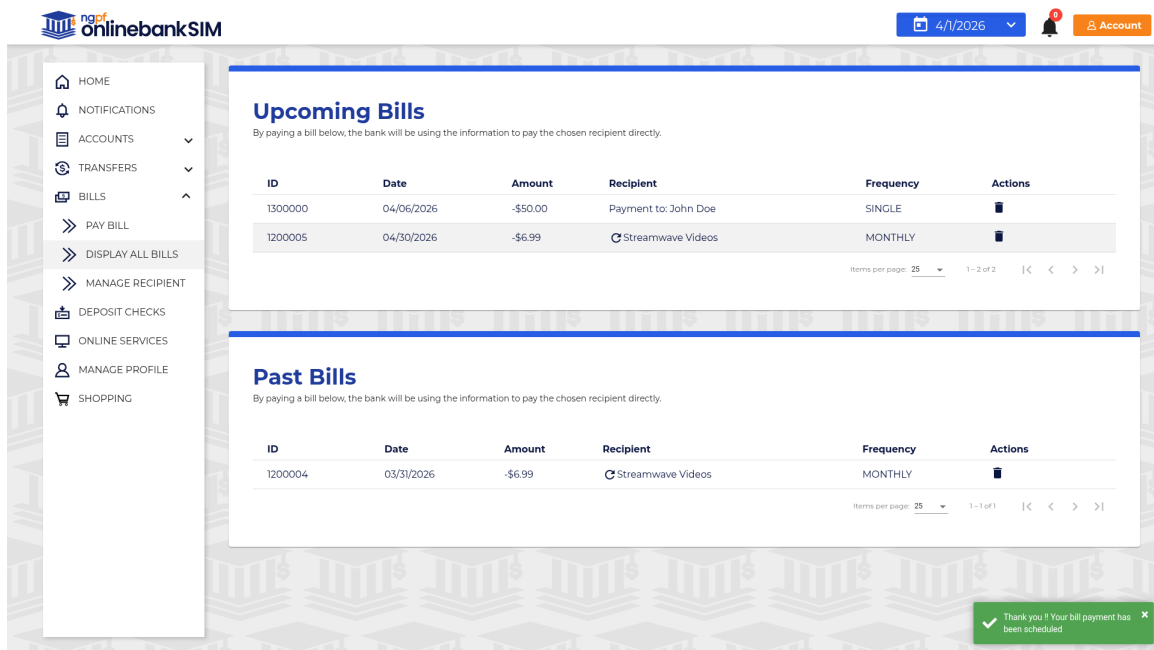

The AI selects the payment frequency and the newly created recipient from the dropdown menus.

<https://www.ngpf.org/bank-sim/pay-bill>

5. Payment Scheduled Successfully

The AI completes the payment, and the bill appears in the 'Upcoming Bills' table with a final confirmation message.
