Workflow Exploration Report

Digital Mortgage Pre-Approval Journey

Website: <https://mortgage.leumi.co.il>

Feature Area: Digital Mortgage

Goal: Start the digital mortgage application process. Success: Reach the minisite application portal.

Generated: April 24, 2026 at 08:07 AM

The AI explored the digital mortgage journey on the Leumi website, navigating through informational pages for online applications and video consultations. While it successfully identified the requirements for remote meetings, the primary application portal failed to render content upon arrival.

Step-by-Step Walkthrough

1. Exploring Digital Mortgage Options

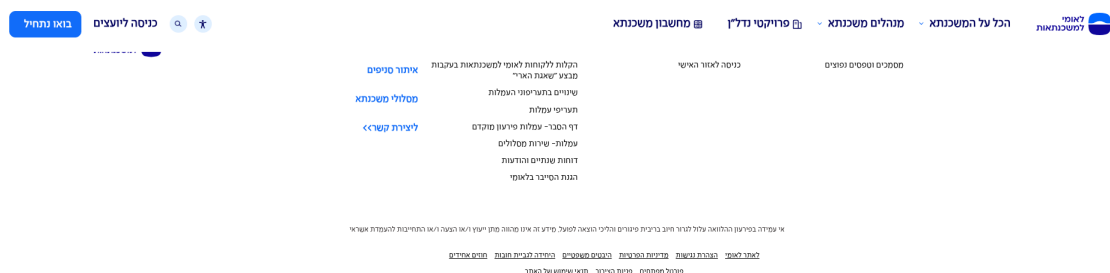

The AI navigates to the Digital Mortgage category page to review the available online services and process steps.

<https://mortgage.leumi.co.il/all-about-mortgage/category/about/digital-mortgage>

2. Viewing Zoom Consultation Instructions

The AI accesses the Zoom meeting page to identify the hardware and identification requirements for a remote banker session.

<https://mortgage.leumi.co.il/zoom-meeting>

3. Reaching the Application Portal

The AI attempts to enter the digital mortgage minisite, which serves as the final step for starting the pre-approval process.
