Mortgage Track Research and Comparison

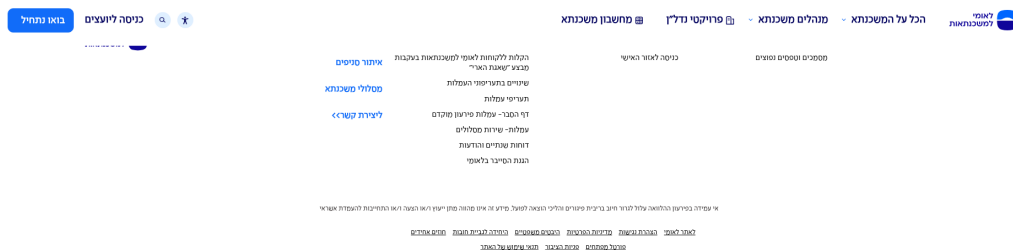

Website: <https://mortgage.leumi.co.il>

Feature Area: Mortgage Products

Goal: Review and compare different mortgage tracks (Fixed, Variable, Linked). Success: All track details are visible.

Generated: April 24, 2026 at 08:07 AM

The AI successfully navigated the Leumi mortgage portal to research various mortgage tracks, including fixed and variable options, and extracted detailed plan information. It also reviewed educational resources like the Mortgage Guide and the 'Enabling Mortgage' interest-only plan, though the mortgage calculator tool was found to be non-functional.

Step-by-Step Walkthrough

1. Researching Mortgage Tracks

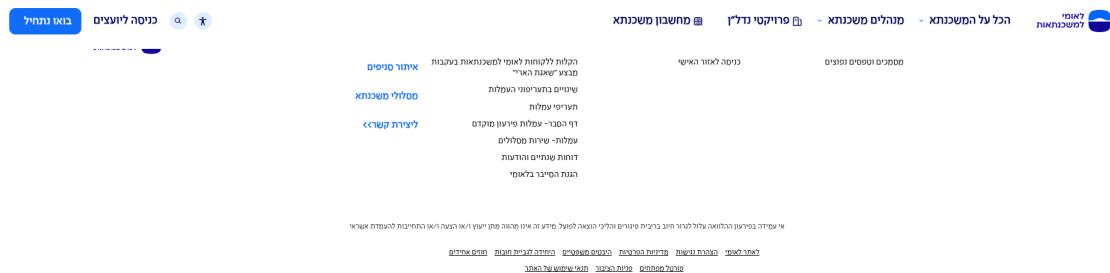

The AI navigates to the mortgage options page to identify and compare different interest rate types and linkage statuses for various loan tracks.
