Workflow Exploration Report

Check Deposit Simulation

Website: <https://www.ngpf.org/bank-sim/home>

Feature Area: Check Deposits

Goal: Deposit a check into an account and verify the transaction.

Generated: March 30, 2026 at 07:18 AM

The AI successfully navigated the NGPF Bank Simulator to perform a check deposit. It selected the checking account, entered the deposit amount, and completed the submission process, confirming the transaction with a success notification and updated account activity.

Step-by-Step Walkthrough

1. Accessing the Bank Simulator

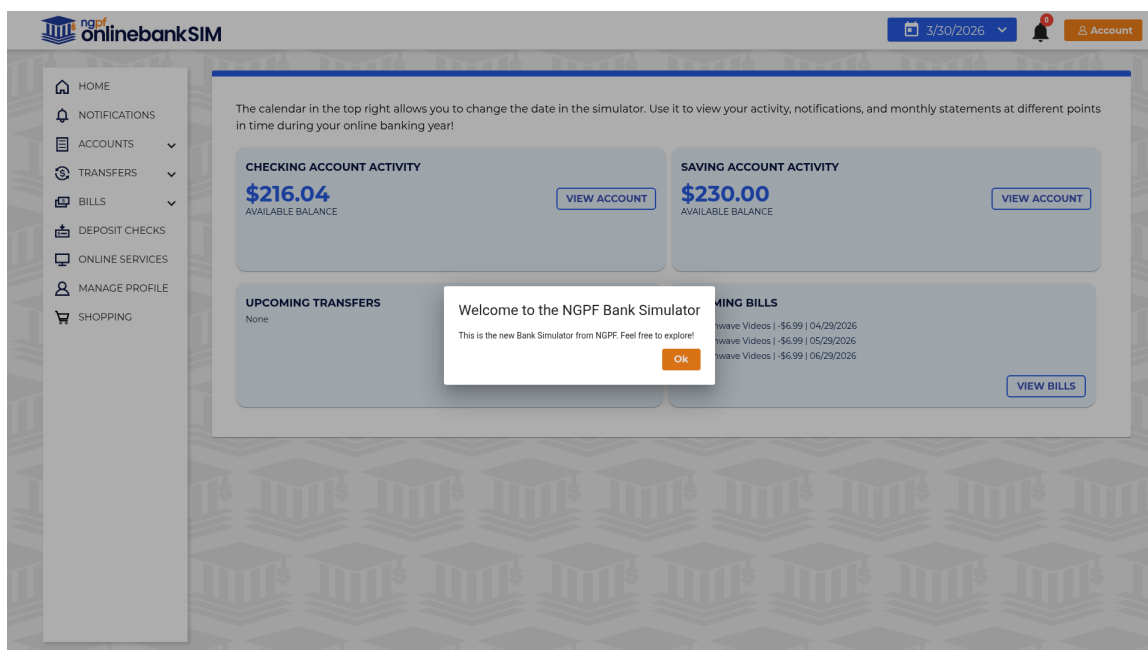

The AI initiates the workflow by landing on the NGPF Bank Simulator welcome page.

about:blank

2. Navigating to Deposit Checks

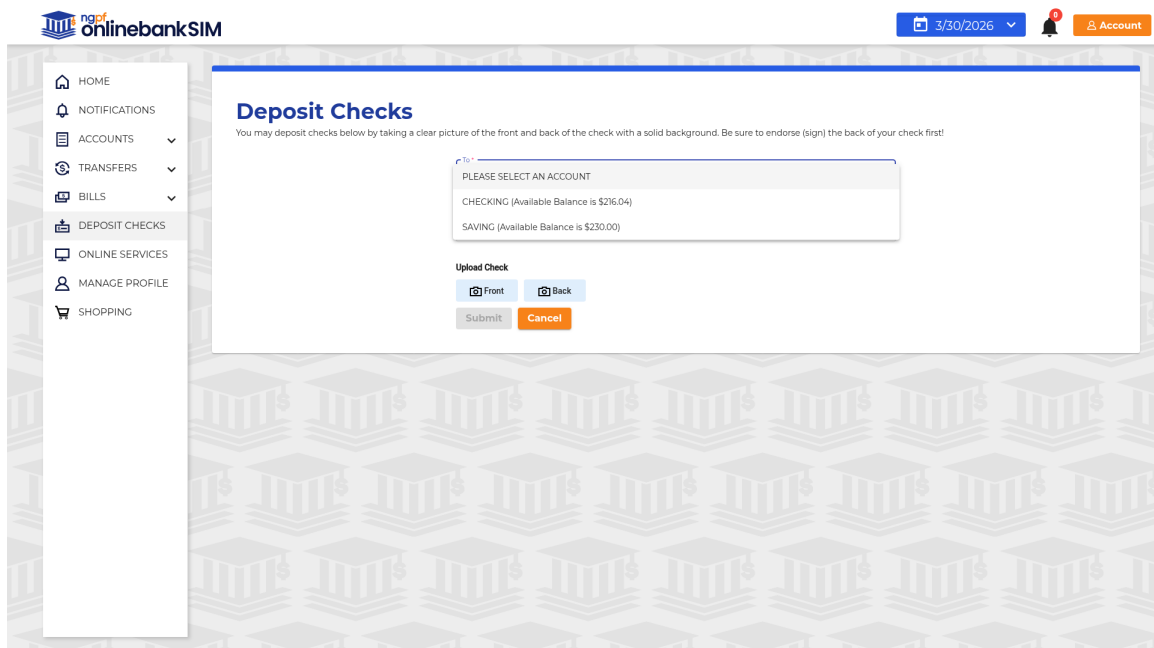

The AI enters the main dashboard and prepares to navigate to the check deposit feature.
