Workflow Exploration Report

Review Transfer History and Confirm Past Transfers

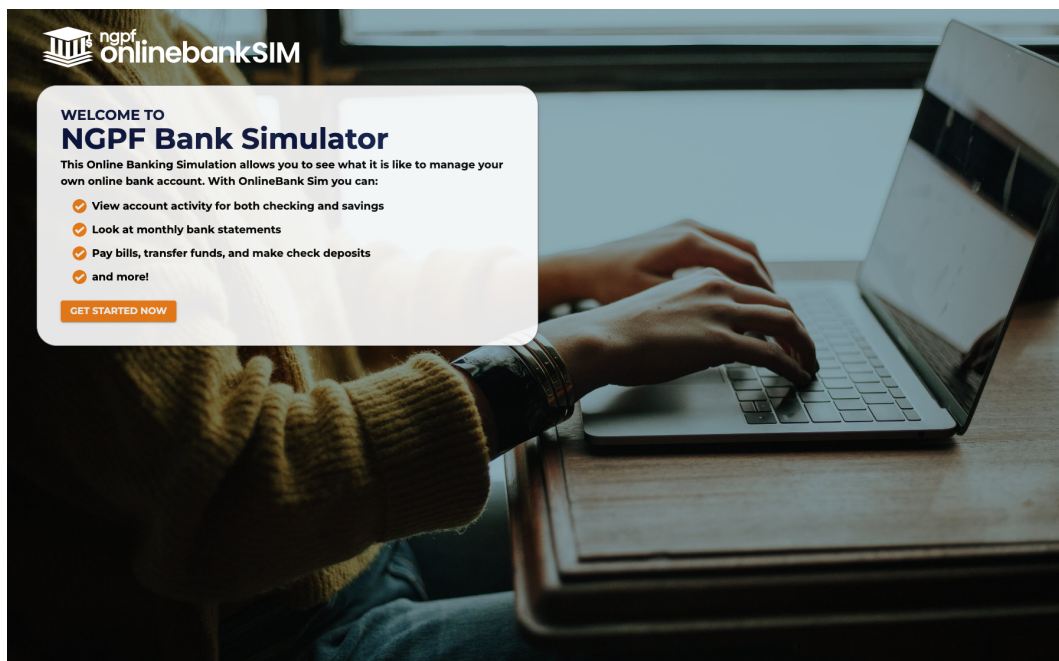

Website: <https://www.ngpf.org/bank-sim>

Feature Area: Transfer History and Management

Goal: View the list of past and scheduled transfers, confirm all required details (Id, Date, Description, Amount), and verify successful record creation after submitting a transfer.

Generated: March 22, 2026 at 06:13 PM

The AI tested the NGPF Bank Simulator by creating a money transfer and then reviewing the transfer history to ensure the record was properly displayed. It also explored the ability to filter and search transfer records by account and date, confirming that relevant information appeared as expected. The workflow demonstrates end-to-end transfer management and historical tracking in the simulator.

Step-by-Step Walkthrough

1. Bank Simulator Landing Page

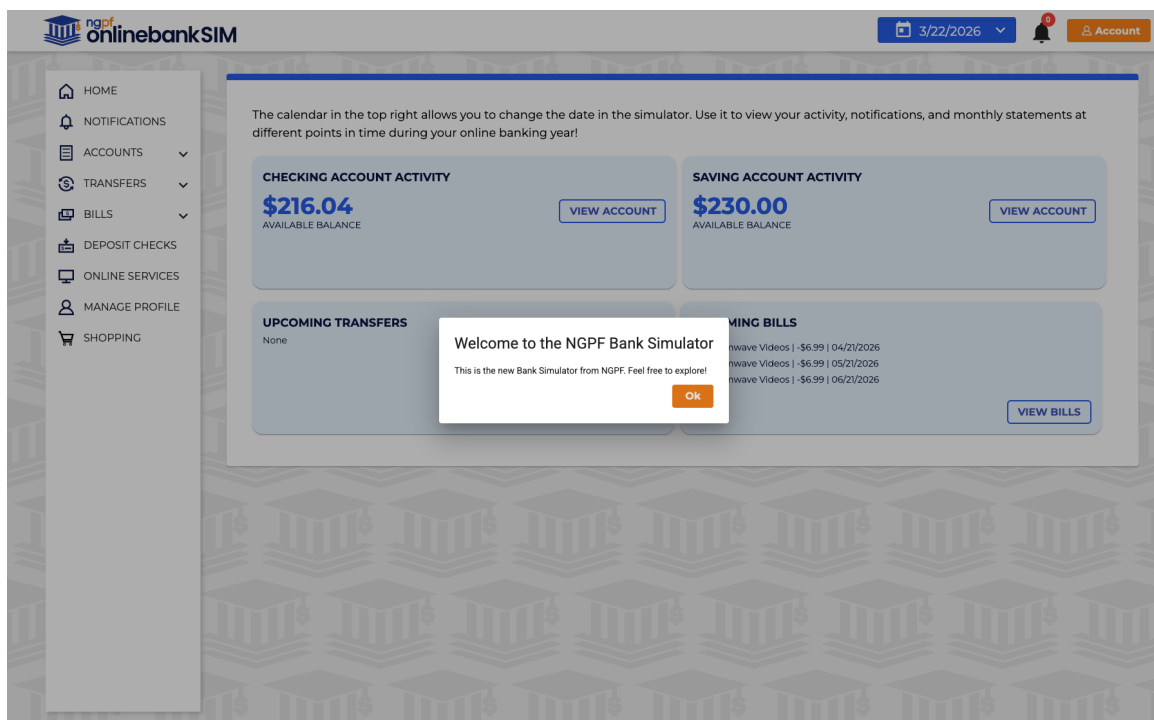

The AI navigates to the NGPF Bank Simulator welcome screen, where users are introduced to main banking features and prompted to get started.

about:blank

2. Dismiss Welcome Modal

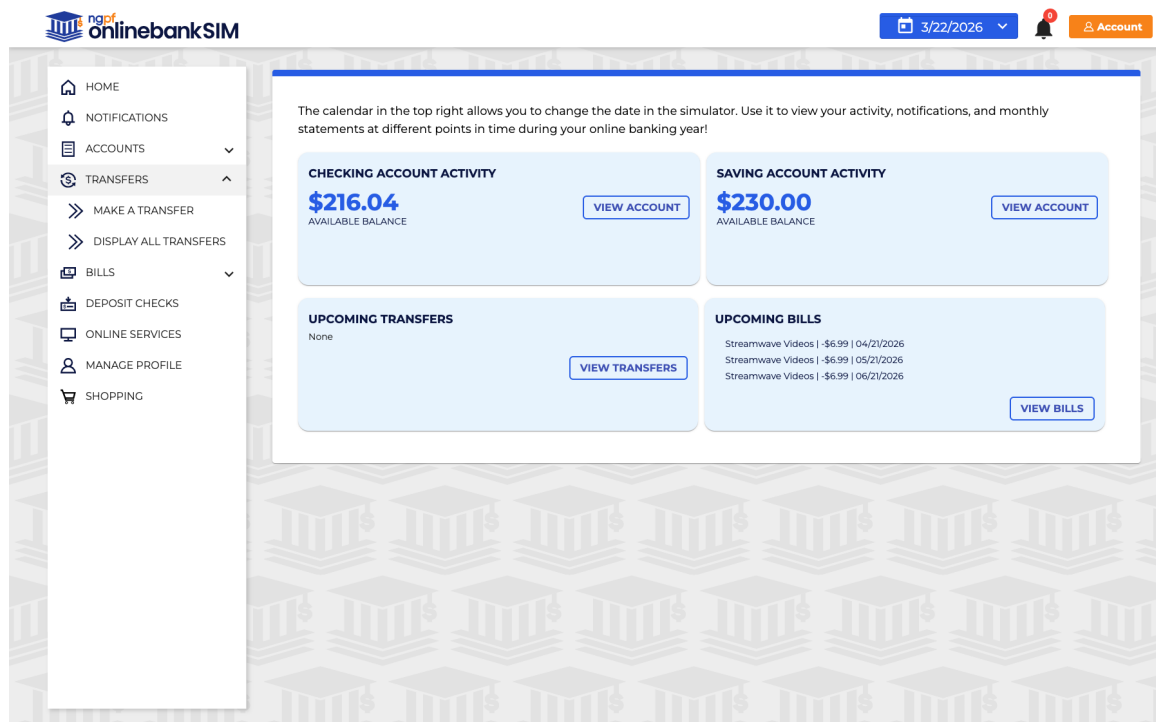

The AI enters the simulator's dashboard and dismisses the welcome popup, preparing to access banking functions.

about:blank

3. Expand Transfers Menu

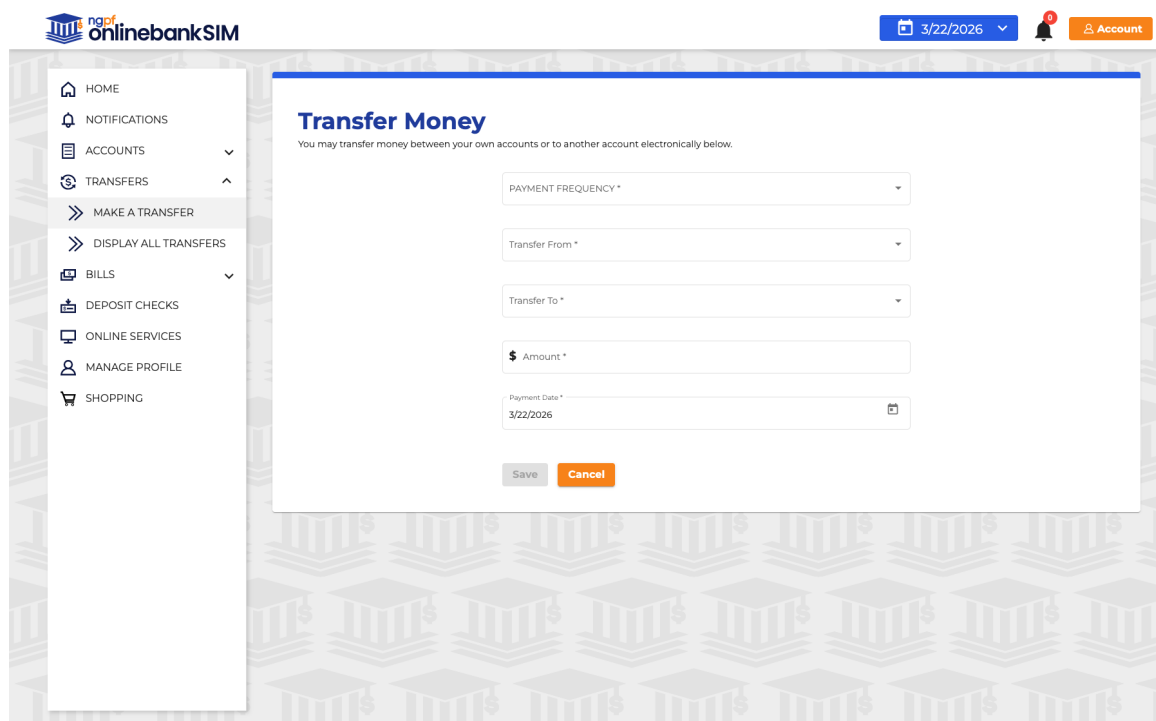

The AI expands the Transfers sidebar menu, revealing options to make a transfer or display all transfers.

<https://www.ngpf.org/bank-sim/>

4. Access Transfer Form

The AI selects 'Make a Transfer' and views the form for setting up a transfer, including frequency, account selection, amount, and date.

<https://www.ngpf.org/bank-sim/>

5. Select Transfer Parameters

The AI interacts with the transfer form, choosing payment frequency and selecting accounts to transfer from and to.
