Workflow Exploration Report

Delete a Past Transfer Record

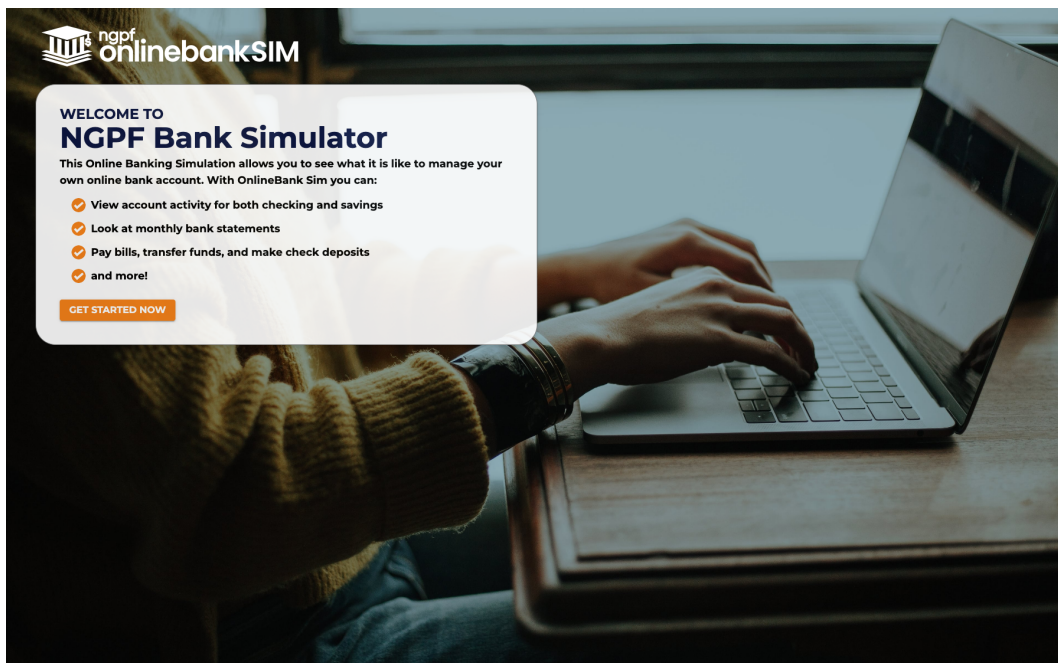

Website: <https://www.ngpf.org/bank-sim>

Feature Area: Transfer History and Management

Goal: Successfully delete a completed transfer from the Past Transfers table and verify its removal from history, including UI confirmation if available.

Generated: March 22, 2026 at 06:13 PM

The AI simulates deleting a completed bank transfer by first creating a new transfer, then locating it in the Past Transfers history and removing it. The workflow demonstrates confirmation of deletion and updated records to ensure the transfer no longer appears.

Step-by-Step Walkthrough

1. Bank Simulator Landing

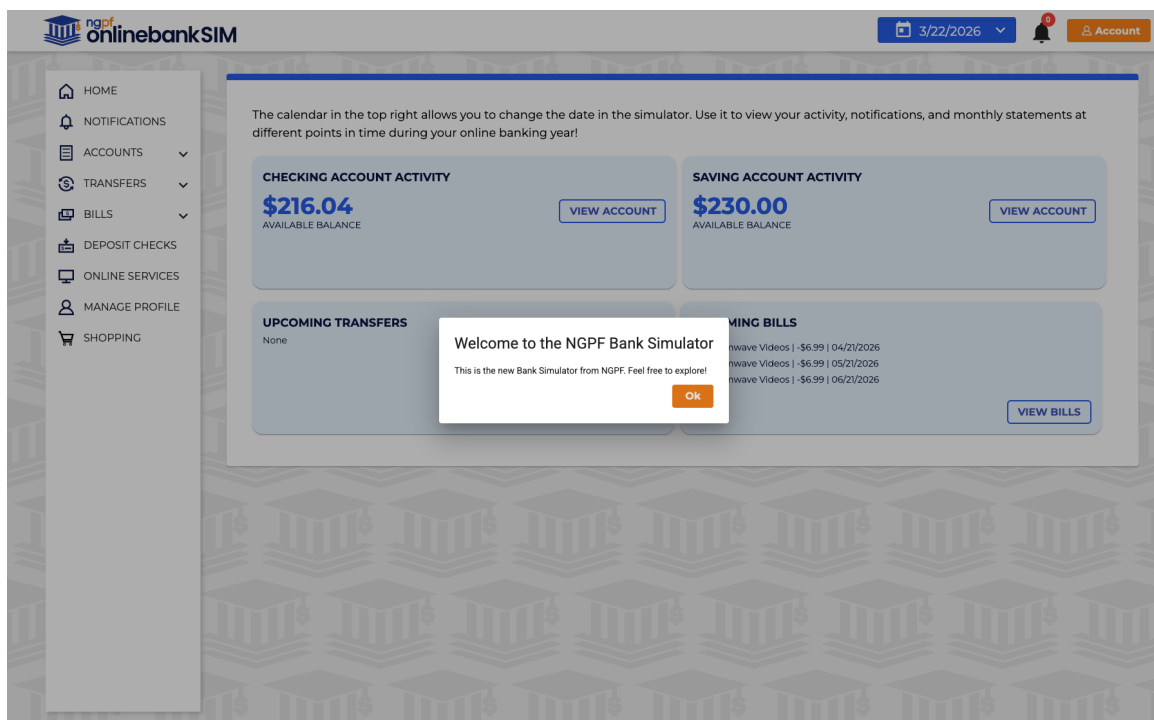

The AI navigates to the NGPF Bank Simulator introductory screen, ready to begin the transfer management workflow.
