Workflow Exploration Report

Check Deposit Simulation

Website: <https://www.ngpf.org/bank-sim/home>

Feature Area: Check Deposits

Goal: Submit a check deposit by selecting an account, entering an amount, and simulating image uploads.

Generated: March 27, 2026 at 04:50 AM

The AI successfully navigated the NGPF Bank Simulator to the check deposit interface and initiated the deposit process. While the agent correctly selected an account and opened the image upload modals, the actual file upload and final submission steps were not completed.

Step-by-Step Walkthrough

1. Accessing the Bank Simulator

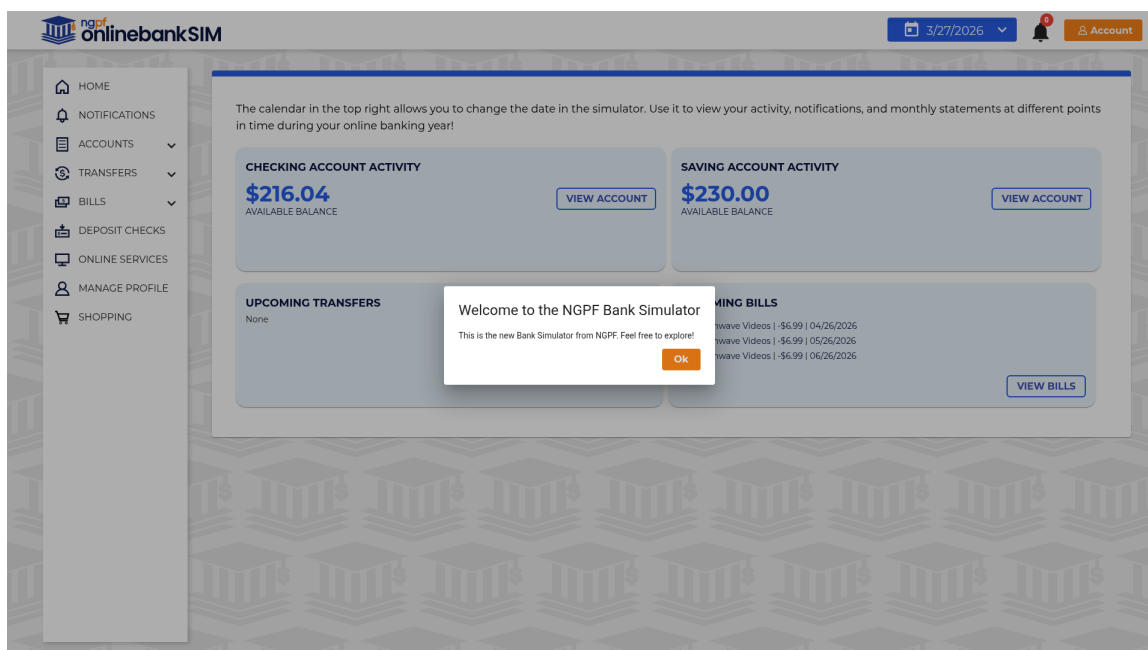

The AI navigates to the NGPF Bank Simulator landing page to begin the session.

about:blank

2. Navigating to Dashboard

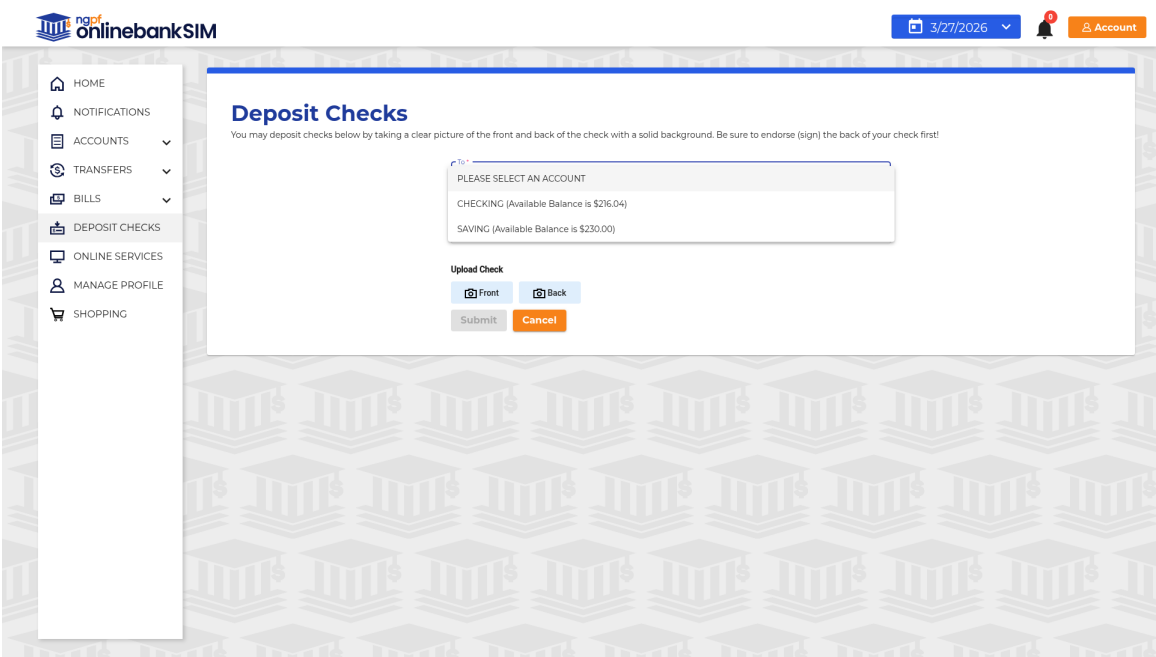

The AI enters the main banking dashboard after dismissing the welcome modal.

<https://www.ngpf.org/bank-sim/home?returnUrl=%2Fdeposit-check%2F>

3. Selecting Deposit Account

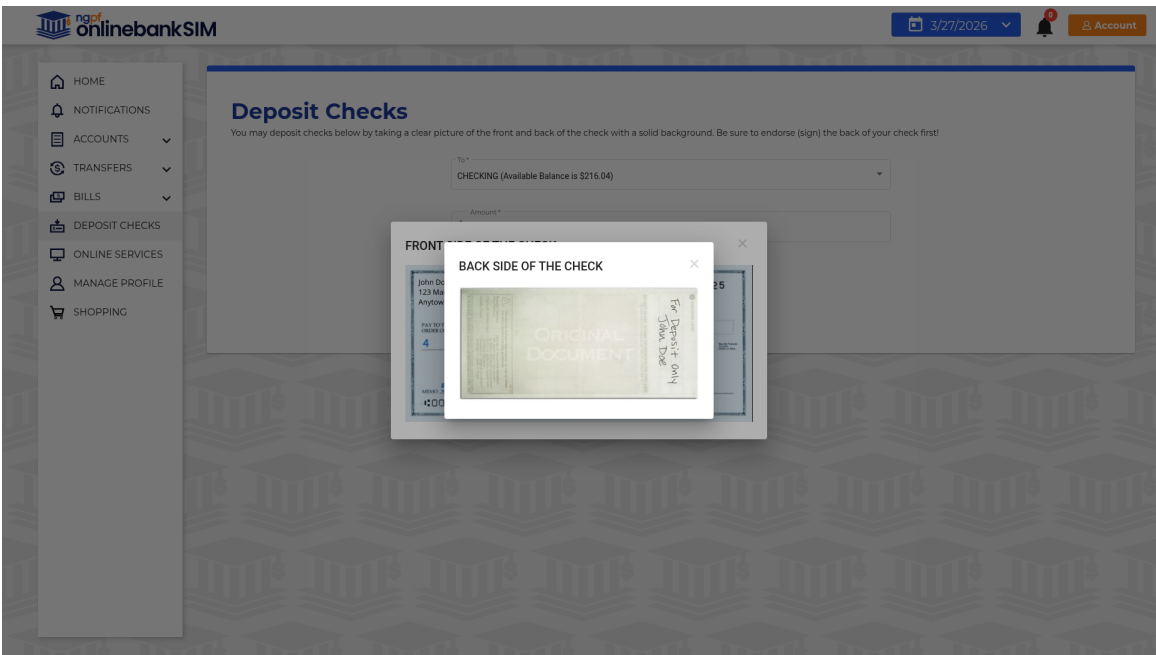

The AI opens the account dropdown menu to select the target checking account.

<https://www.ngpf.org/bank-sim/deposit-check>

4. Simulating Check Image Uploads

The AI triggers the check image modals for the front and back of the check to simulate the attachment process.
