Workflow Exploration Report

Submit a Single Transfer Between Accounts

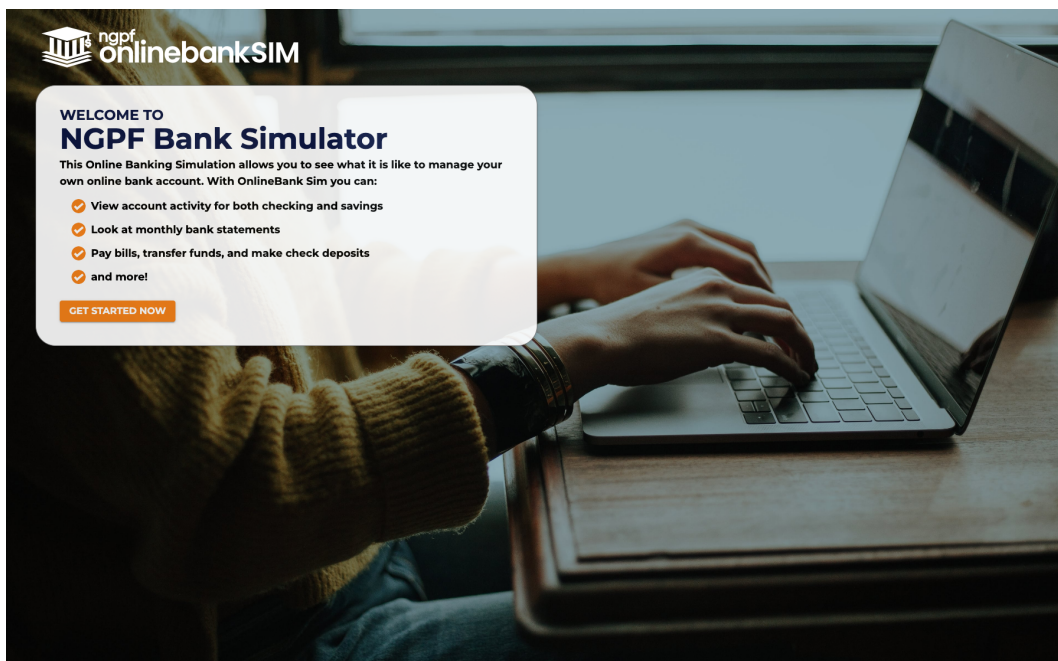

Website: <https://www.ngpf.org/bank-sim>

Feature Area: Transfer Funds Workflow

Goal: Successfully transfer funds between Checking and Saving accounts using the Make a Transfer form. Ensure confirmation and correct entry in transfer history.

Generated: March 22, 2026 at 06:13 PM

The AI successfully completed a transfer of \$50 from the Checking account to the Saving account using the NGPF Bank Simulator. It automated each step, from onboarding, navigating the Transfers section, filling out the transfer form, and submitting, to verifying confirmation and the appearance of the completed transfer in history. All necessary actions and verifications were performed as part of the seamless workflow.

Step-by-Step Walkthrough

1. Landing on Simulator Homepage

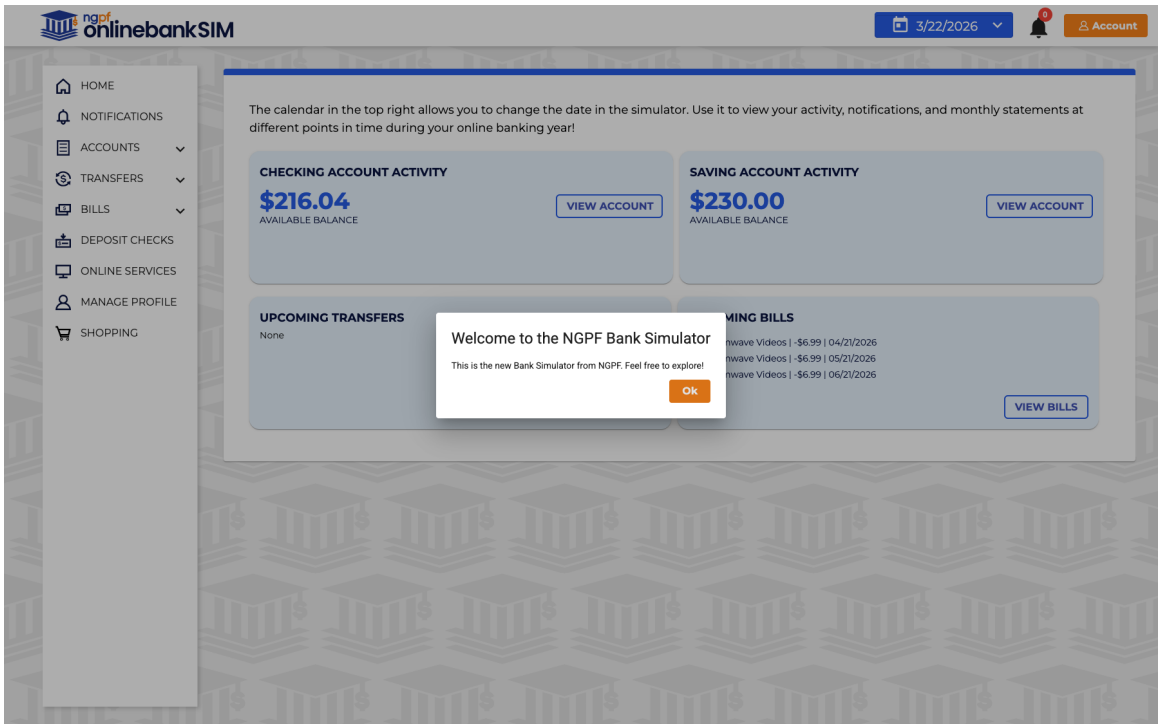

The AI navigates to the NGPF Bank Simulator homepage and displays the introductory features and the 'Get Started Now' button.

about:blank

2. Onboarding Welcome Message

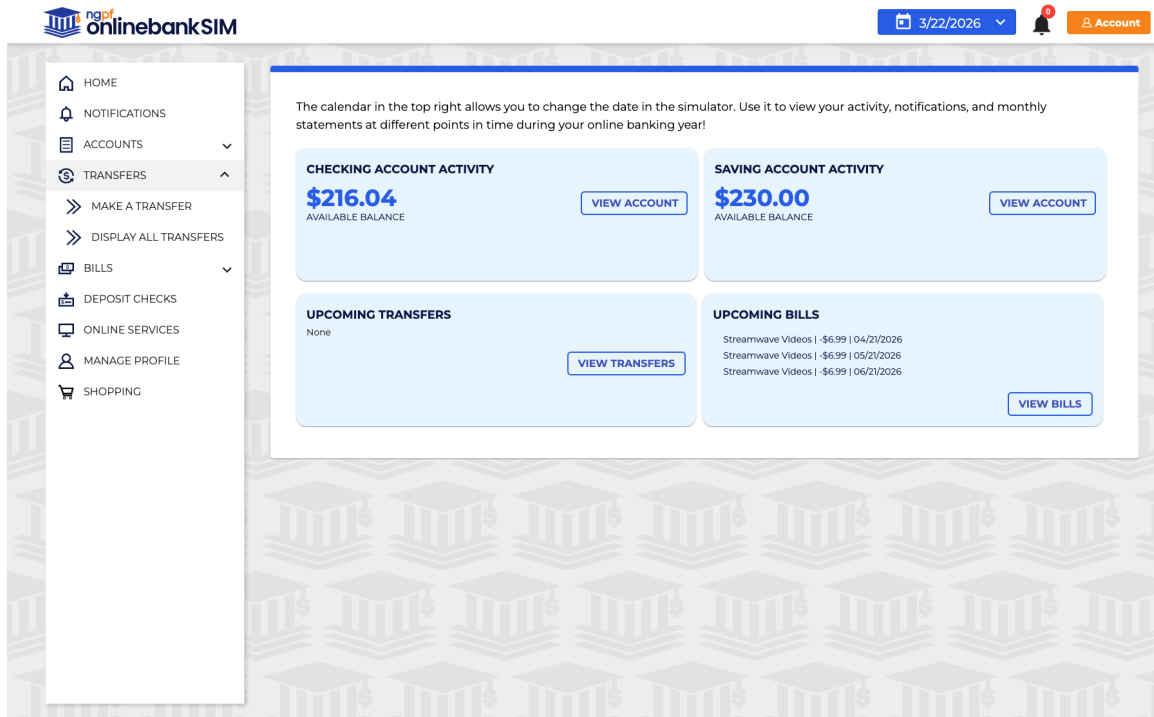

The AI is greeted with a welcome modal prompting the user to begin exploring the simulator.

about:blank

3. Accessing Transfers Menu

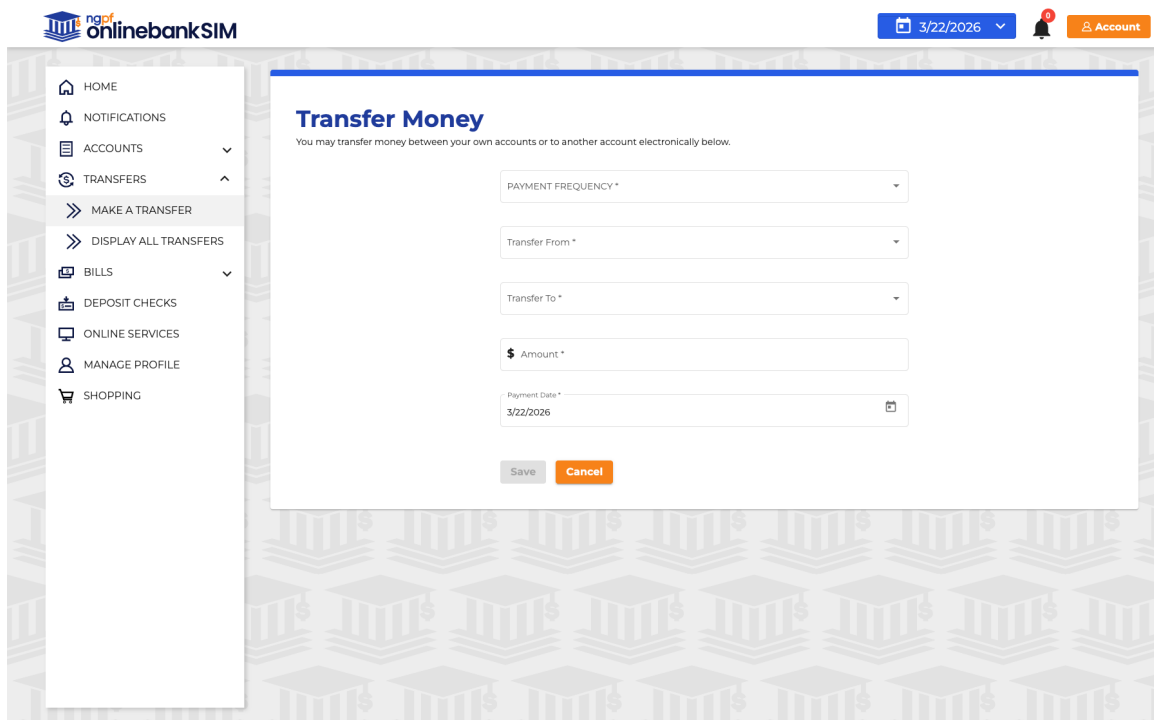

The AI expands the sidebar to reveal the Transfers section, preparing to initiate a funds transfer.

<https://www.ngpf.org/bank-sim/>

4. Viewing Transfer Form

The AI displays the 'Transfer Money' form, ready to input details for a funds transfer between accounts.

<https://www.ngpf.org/bank-sim/transfer>

5. Selecting Transfer Details

The AI selects 'SINGLE' payment frequency and begins choosing account details within the transfer form.
