Workflow Exploration Report

Navigate to Online Banking Services

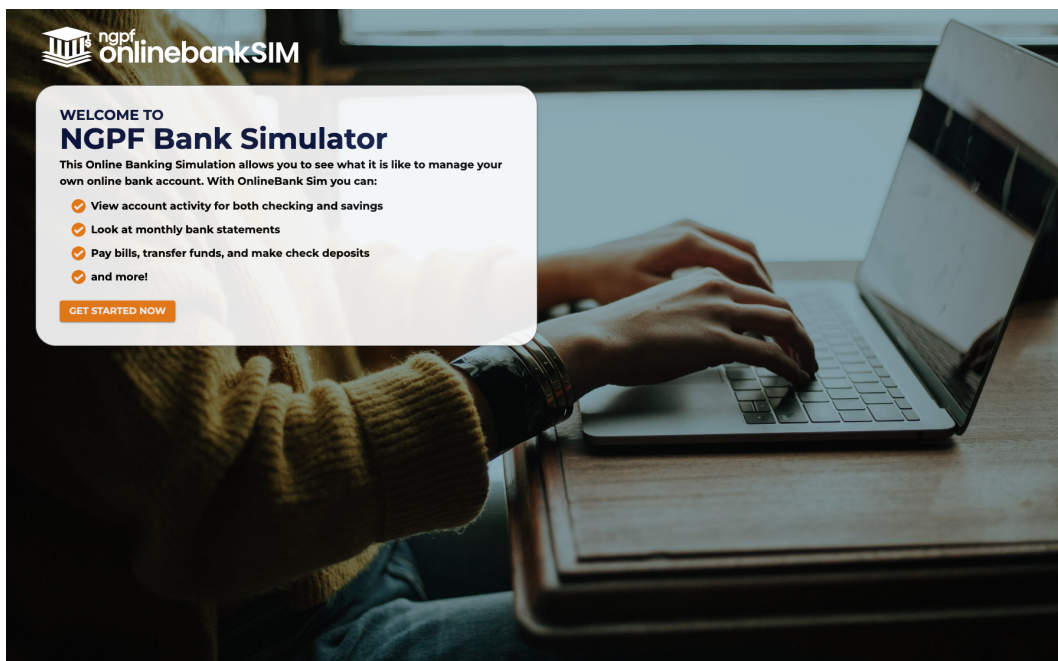

Website: <https://www.ngpf.org/bank-sim>

Feature Area: Online Banking Services

Goal: Navigate to the Online Banking Services area and verify the page loads correctly with expected content.

Generated: March 22, 2026 at 08:28 PM

The AI successfully navigated through the NGPF Bank Simulator to access the Online Banking Services area. It verified that all primary features are presented as informational sections, with no actionable UI elements for user interactions. This confirms that online services are currently static and purely informational for end users.

Step-by-Step Walkthrough

1. Bank Simulator Landing Page

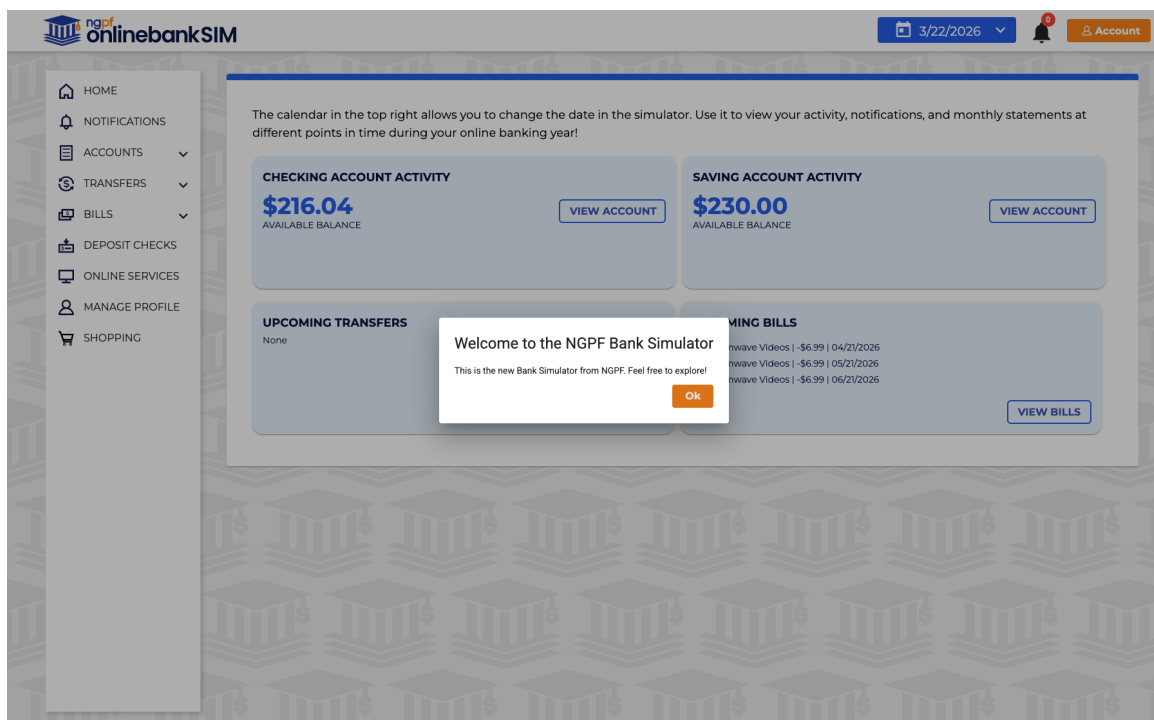

The AI starts by loading the NGPF Bank Simulator landing page, showcasing a summary of available banking features and a 'Get Started Now' button.

<https://www.ngpf.org/bank-sim>

2. Simulator Welcome Dialog

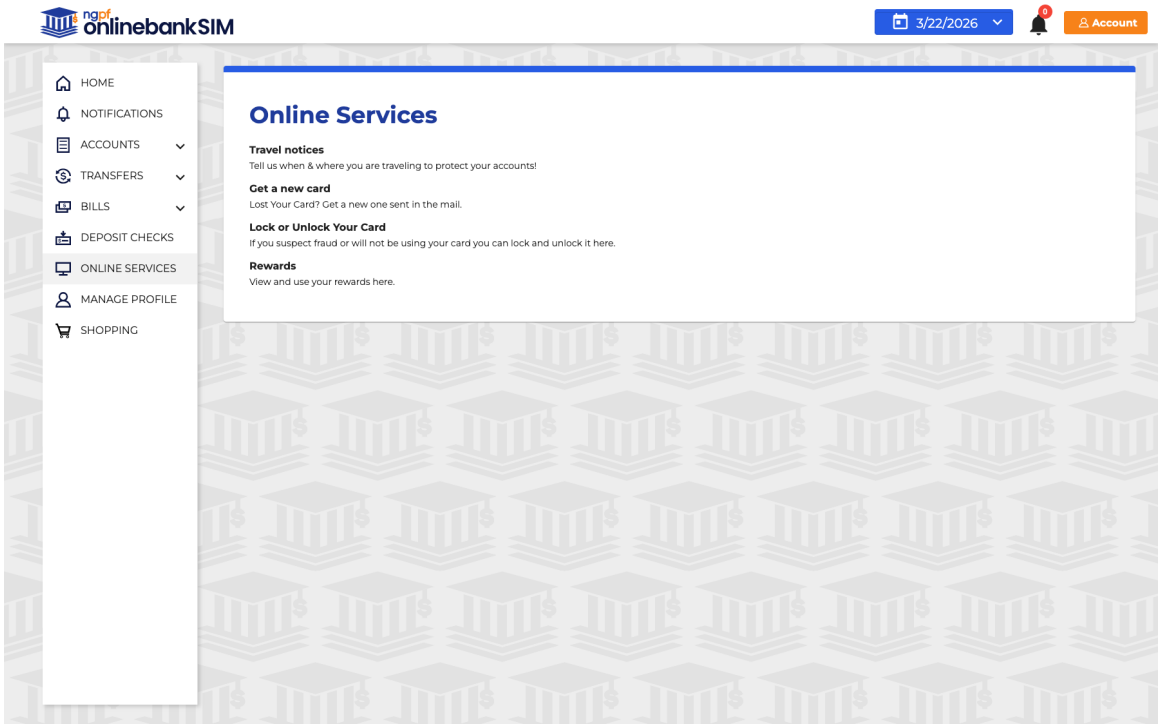

The AI progresses to the main dashboard and encounters a welcome dialog introducing the new Bank Simulator experience.
