

ROOST AI

Workflow Exploration Report

Browse Real Estate Projects

Website: <https://mortgage.leumi.co.il>

Feature Area: Real Estate Projects Directory

Goal: Filter and view details of a specific real estate project. Success: Project details page loads successfully.

Generated: April 24, 2026 at 11:55 AM

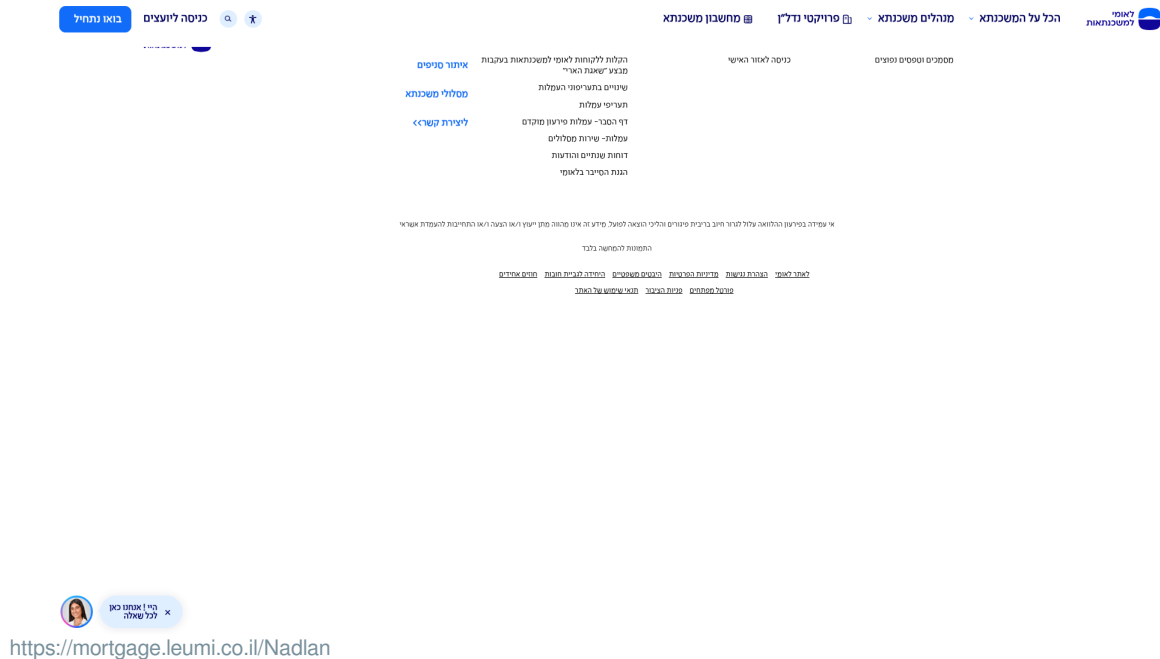

The AI successfully navigated to the Real Estate Projects directory and filtered the results by location. It then selected a specific project to view its detailed information and associated mortgage benefits.

Step-by-Step Walkthrough

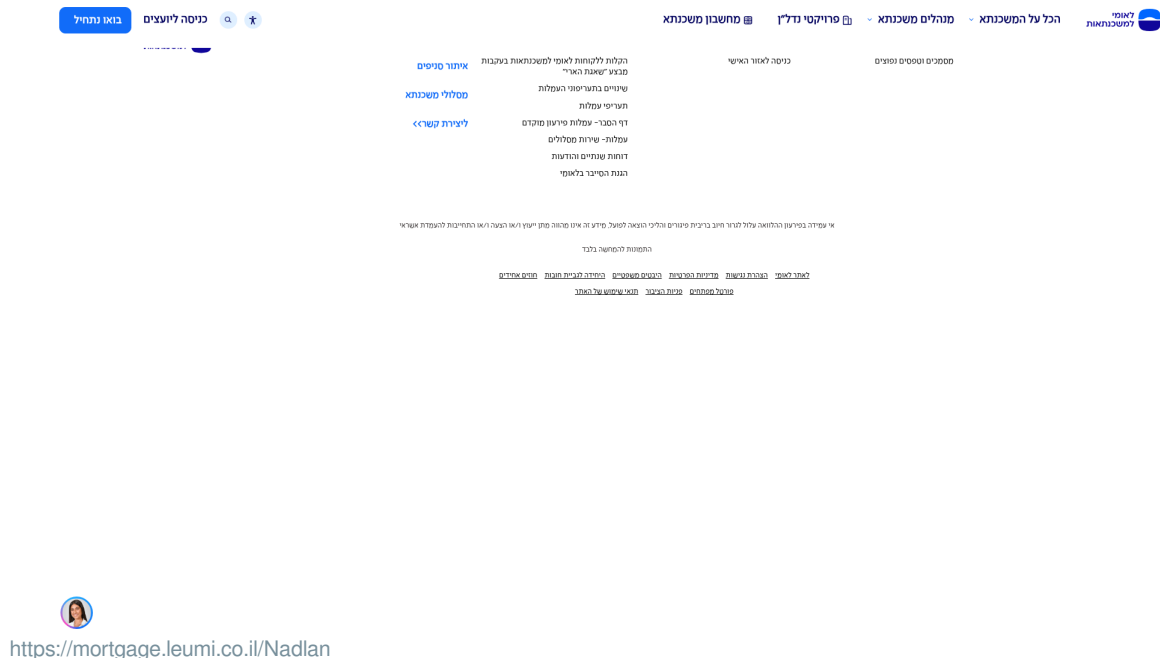

1. Real Estate Projects

The AI navigates to the Real Estate Projects directory page.

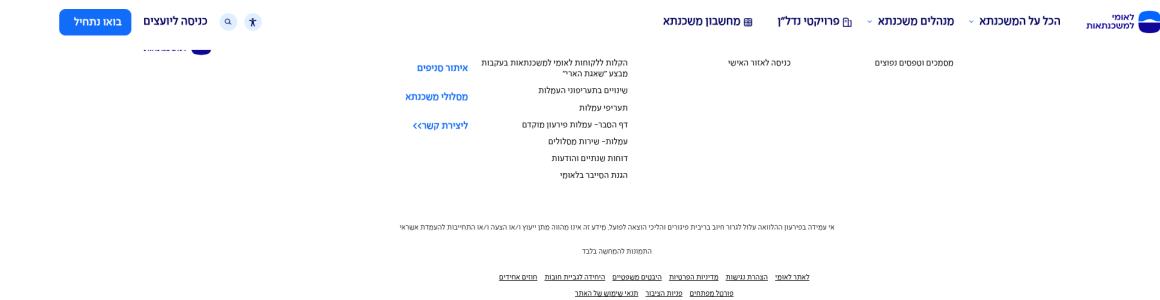

2. Filter Projects

The AI closes the chat popup and filters the projects by the 'Center' location.

3. Project Details

The AI selects a specific project to view its details, expected delivery date, and mortgage benefits.
