Request a Call via Contact Widget

Website: <https://mortgage.leumi.co.il>

Feature Area: Customer Support Chat

Goal: Open the contact widget and initiate a call request. Success: Contact menu opens and call request link opens a new tab.

Generated: April 24, 2026 at 11:55 AM

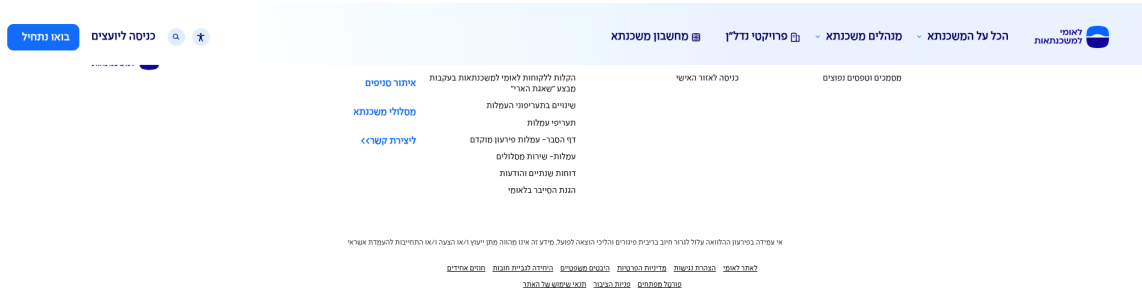

The AI navigated to the mortgage website and clicked the contact widget to access support options. It successfully opened the contact menu and verified that the 'Request a call' link correctly initiates a new tab for the request form.

Step-by-Step Walkthrough

1. Homepage Contact Widget

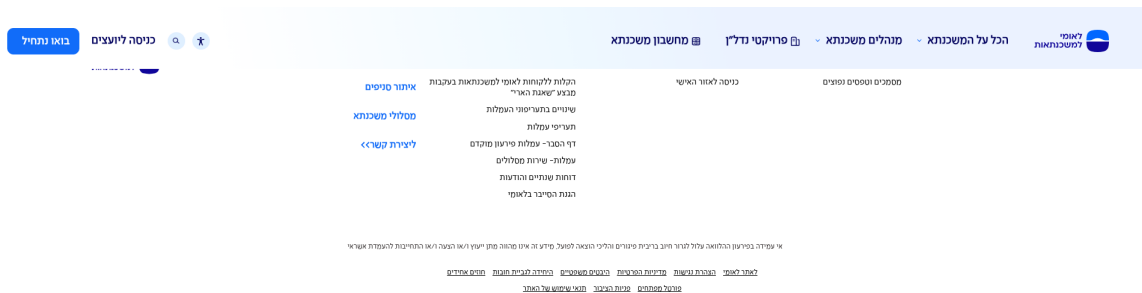

The AI navigates to the mortgage homepage and locates the contact widget in the bottom left corner.

<https://mortgage.leumi.co.il>

2. Contact Menu Options

The AI clicks the widget to open the contact menu, displaying phone numbers and the option to request a call.
