Workflow Exploration Report

Initiate Digital Mortgage Application

Website: <https://mortgage.leumi.co.il>

Feature Area: Digital Mortgage Application

Goal: Initiate a digital mortgage application for in-principle approval. Success: User reaches the application form (Currently blocked).

Generated: April 25, 2026 at 07:39 AM

The AI attempted to initiate a digital mortgage application by navigating to the starting page and clicking the start button. However, upon redirection, the application minisite failed to load the form content, resulting in a completely blocked workflow.

Step-by-Step Walkthrough

1. Navigate to Start Page

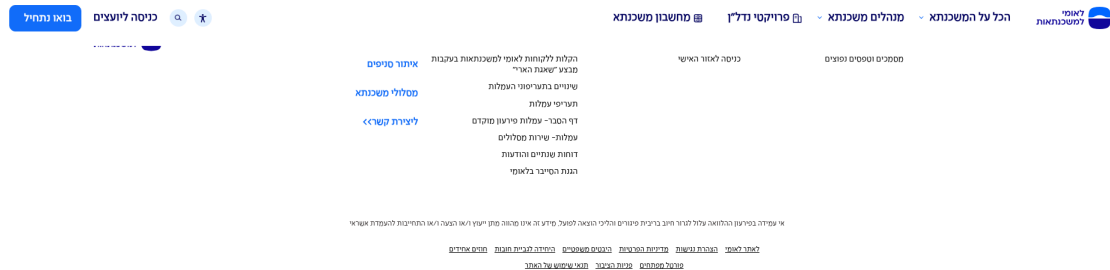

The AI navigates to the digital mortgage application starting page to begin the process.
